

Pine Mountain United Women of Faith Louise Miller Circle Minutes June 10, 2024

President Sara Godowns called the meeting to order. She welcomed both Circle members and friends of the Short Family. President Godowns offered these inspiring words:

“I had a thought this afternoon I’d like to share. In May, our United Women of Faith meeting celebrated a legacy, a life already lived. In June, we are celebrating the beginning of a life, full of promise and hope. Both are fitting as United Women of Faith weave together the kingdom of the past, the present, and the future!”

These words were followed by Reverend Andy Cunningham offering a prayer for the circle’s work and the Short family’s expected new arrival ... Miss Abigail Kay Short.

Light refreshments were offered to all upon arrival. The officers of the Pine Mountain United Women of Faith Louise Miller Circle were hostesses. It was a wonderful time of fellowship, reminiscing, and catching up. After several hours, gifts were packed up and loaded so that Kaylen and Alli could safely travel home. There was no formal adjournment.
