The good news is that we ended 2024 with expenses \$22,000 less than budgeted. We ended with approximately \$100,000 in liquid assts (cash in bank and money market account). We appreciate everything that you as a congregation have done and are continuing to do with your giving. We also want to shout out to the staff and committee chairs for all they did to help reduce our expenses. Things are definitely looking up and we are so appreciative of our church family!

Making Disciples of Jesus Christ for the Transformation of the World with loving hands and grateful hearts through inviting, reaching, serving, growing & learning, and worshipping our Lord Jesus Christ!
