

JULY 2026 NEWSLETTER

A large collage of 24 photographs showing various activities at a children's event. The photos depict children playing on a large map, sitting at tables, standing on a stage, and participating in group activities. A woman is seen holding a child in several photos. The setting appears to be a large indoor hall with a stage and various props.

Helping the Community

Every year, HCFC begins planning early because we understand something important: the success and resilience of the children in our community belongs to ALL of us. Our annual Community Pool Party and School Supply Giveaway is about more than backpacks and notebooks. It's about helping families ease the transition into a new academic year. It's about reducing financial stress, building student confidence, and reminding our children that they have an entire community cheering them on. Most importantly, it's about creating joyful moments and celebrating the end of summer as families prepare for a brand-new journey ahead.
