Charge Conference
Will be October 21st at 5:30 PM in the Sanctuary.

A survey will be coming out to everyone that you will have multiple ways to respond to! In this survey we want your feedback, ideas, and input into opportunities you would like to see us offer at the church. Is there a small group topic that you would really like to see offered? What about an art time or a chair yoga class? What other things would you like to see made available to you? This survey is your time to let us know. Be on the lookout! You will be able to fill out a survey and place it in the offering plate, or fill it out online. You can remain anonymous or sign your name. We just want to hear from you!

There will be a planning meeting on August 23rd from 9-12 in the FLC that all committee members are encouraged to attend but is also open to anyone in the congregation would like to provide feedback. We will be going thru these survey results at this meeting as well.
