Jane Logan, Treasurer, announced that we have a balance of \$2,662.33 in our treasury. She also reminded us of pledges, as this is where our operating budget comes from, the majority of which goes to mission projects both local and conference wide. She still has pledge cards available. If you failed to receive one contact Jane Logan

The minutes of our last meeting were put before the group. Everyone was reminded that they are sent out in the Women of Faith Notices each month prior to the next meeting. Peggy Elder made the motion that the January minutes be accepted, with a second by Jane Logan. All were in favor of acceptance.

The meeting was then turned over to current projects:
