

MAY 2025 NEWSLETTER

A large collage of 25 photographs capturing various moments from an Easter egg hunt event. The photos show children and adults participating in the hunt, holding baskets of colorful eggs, and posing for pictures on a grassy field. Some photos are taken indoors in a church-like setting, while others are outdoors in a sunny, grassy area. The collage includes images of children running, adults holding babies, and groups of people posing together.

We appreciate the work that was done in the Louise Aldrich Memorial Garden before Easter so that the garden looked so beautiful!
